❖ Money sanctioned	: Rs 84,873/-
❖ Money reimbursed	: Rs 1,00,000/- (Due to hike the fare of air travel an additional Rs.15,127/- were sanctioned)

- 1. PARTICIPATION REPORT AND CONTRIBUTION TO THE CONFERENCE:** EUPSA 2014 had numerous pre-congress courses, state of the art lectures, symposia and "Meet the Expert" lunches; all aimed at providing up to date information to practicing paediatric surgeons and trainee paediatric surgeons. This congress brought together eminent pediatric surgeons from all corners of the world in order to discuss the multiple controversies in management protocols and to lay down the gold standards of treatment. A paper on the role of initial percutaneous nephrostomy in poorly functioning kidneys with pelviureteric junction obstruction was presented in the urology session on day 2 of the conference and was received well by the distinguished panel.
