INTR/MedTech/2025/1

Dated: 02/02/2026

Corrigendum

Subject: This corrigendum is with reference to the published call for **ICMR-Intramural MedTech Call 2.0 – 2025-2026**, 8th January 2026 vide No.: INTR/MedTech/2025.

In partial modification of the Call for Proposals issued under the Intramural Scheme on Promotion of Development of In-house Medical Technologies by ICMR Institutes (**MedTech Call 2.0**), it is hereby notified that the condition regarding submission of only one technology proposal per Institute stands revised.

Accordingly, **ICMR Institutes may submit more than one proposal**, provided that each proposal is distinct, independent, and addresses a different medical technology with clear translational potential. Each proposal shall be evaluated on its individual merit as per the approved guidelines and review process.

All other terms and conditions of the original Call for Proposals shall remain unchanged.

This corrigendum is issued with the approval of the Competent Authority.
