ICMR Institutes/Centres

Subject:- Clarification regarding RRs for Technicians and other posts in new Technical cadre -
Sir/Madam,

The Council is receiving letters from Institutes/Centres as well as associations regarding eligibility of erstwhile Laboratory Attendants who were earlier eligible for promotion to Laboratory Assistant (now Technician 'B'). This issue was discussed in the Council and in order not to affect their existing career growth for promotion to Technician 'B' a provision has been made in the new RRs under rule 6(3), issued on 10.2.2011 for Technical Cadre, to make earlier Laboratory Attendants (re-designated Attendant Services) with Matric qualification and certificate course or experience of Laboratory work in specific discipline to be eligible with 11 years of residency for promotion, subject to their fulfilling the EQs for the post, to the post of Technician 'B'.

2. Similarly earlier Attendants in technical stream (re-designated as Attendant Services) who were being promoted to Technician 'A' would continue to be eligible for promotion to Technician 'A' posts under 25% promotion and 25% LDCE quota, provided they possess Matric qualification and have 5 years of experience of animal house keeping/Laboratory work. The details of amendment in respect of Para 1 and 2 are available under Para 6(3) of the RRs sent to you earlier on 10.2.2011 and also available on the ICMR website.

3. All other Attendants Services would be eligible for three MACP only as per VI-CPC guidelines.

4. Also queries are received whether candidates with higher qualification are eligible for the posts advertised. It is clarified that answer is yes and such candidates may be given opportunity to compete with other candidates.

Yours faithfully

(Bharat Bhushan)
