No.PM-ABHIM/Misc/2024-Pers.

Dated: 22nd March 2024

OFFICE ORDER

ICMR is creating Biosafety Infrastructure at different parts of the country, under the PM-ABHIM program. It is felt that these infrastructure development works need specialized, dedicated and continuous scientific monitoring.

Further, one new institution, i.e. National Institute of One Health, Nagpur, with BSL-3 and BSL-4 labs, is being established, with a “Multi-Institutional One Health” approach, where several departments of Government of India will be working on collaborative mode.

Accordingly, it has been decided by the Competent Authority, to give charge of Director-in-Charge, NIOH Nagpur to Dr. Pragya Yadav, Scientist-F, ICMR-NIV, Pune, in addition to her present assignments at ICMR-NIV Pune, till further orders.

She will also supervise the new BSL-4 and BSL-3 infrastructure facilities, under the PM-ABHIM, i.e. 04 new Zonal NIVs.

She will exercise all the Administrative and Financial powers, as a Director-in-Charge for NIOH, Nagpur

This issues with the approval of the Competent Authority.
