Subject : Protocol for engagement with Multilateral Development Banks, Bilateral Agencies/ Partners, and International Financial Institutions in India- reg.

===== Forwarded message =====

Respected Sir/Ma'am

This is regarding the engagements / requests for meetings of the World Bank's Country Director or other senior officials of the World Bank, with Chief Ministers/ Ministers in State Governments and Ministers in the Central Government. As per paragraph 5(vi)(a) of the Department of Economic Affairs (DEA) guidelines dated 05.03.2018 (attached), all requests from Multilateral Development Banks (MDBs), Bilateral Agencies, and International Financial Institutions (IFIs) for meetings with Chief Ministers/Ministers—whether at the state or central level—must be routed through the DEA.

2. It has been observed that the World Bank has been approaching state governments and central ministries directly with such requests, which is in contravention of these guidelines. Accordingly, such requests should not be entertained.

3. In light of this, all state governments and central ministries are requested to strictly follow the established protocol. Any meeting request received directly from the World Bank should be redirected to the DEA, with a note advising the World Bank to obtain the necessary clearance from the DEA before proceeding.

4. This issues with the approval of the competent authority.

Thanks and Regards

Sri Krishna Pal

Section Officer (FB-Policy)
FB&ADB Division
Department of Economic Affairs
Ministry of Finance
North Block, New Delhi.

DEA Guidelines dated 5.3.2018 (... .pdf
359.7 KB • 

No. 14/5/2000- FB II (Vol. IV)
Government of India
Ministry of Finance
Department of Economic Affairs

New Delhi, dated 05.03.2018

OFFICE MEMORANDUM

Subject: Adherence to Protocol for engagement with Multilateral Development Banks, Bilateral Agencies/Partners, and International Financial Institutions in India

As per Government of India (Allocation of Business) Rules, 1961 Department of Economic Affairs (DEA) in the Ministry of Finance acts as nodal Department, *inter alia*, for all matters relating to:

- (i) Loans, credits and grants from foreign countries, special agencies, non-governmental foundations, agencies and voluntary bodies;
- (ii) Loans, credits and grants from multilateral agencies;
- (iii) Technical and Economic assistance received by India:
 - (a) The United Nations Technical Assistance Administration Programmes
 - (b) Ad-hoc offers of technical assistance from various foreign countries, special agencies, non-Government entities
 - (c) United Nations Office of Project Services
- (iv) Technical assistance received by India from or given to foreign governments, international institutions and organizations, except such as are relatable to subjects allocated to any other Department.

2. Accordingly, DEA functions as the political and administrative focal point in India for all engagements with and Multilateral agencies including Multilateral Development Banks (MDBs) such as the World Bank Group, Asian Development Bank (ADB), African Development Bank (AfDB), Asian Infrastructure Investment Bank (AIIB), and New Development Bank (NDB); Bilateral Agencies such as JICA, KfW, GIZ, AfD, EIB, DFID etc.; and International Financial Institutions such as International Fund for Agricultural Development (IFAD).

3. In order to ensure that the borrowings from MDBs/ Bilateral Agencies/IFIs are aligned with the developmental priorities and broad policy directions of the Government of India, it is imperative that all proposals from State Governments as well as Central Ministries/Departments - either for loans, technical assistance or advisory services - are routed through DEA, which, after careful scrutiny, are posed by DEA to the MDBs/ Bilateral Agencies/IFIs concerned. On the other hand, the MDBs/Bilateral Agencies/IFIs are also expected to engage with the States, Central Ministries/Departments, Constitutional bodies, and other institutions in India through the DEA. For this purpose, this Department has, from time to time, highlighted the need on part of the States/Central Ministries and Departments, and other institutions on the one hand, and MDBs, Bilateral Agencies, and IFIs on the other, to observe the established protocol in conduct of business with each other.

4. Of late, DEA has come across instances wherein a few States and Central Ministries have sent communications from the ministerial level to the President or CEO of MDBs/IFIs directly, bypassing DEA, and the MDB/IFI concerned has also not observed the propriety of responding to such references through the DEA. In certain cases, the level of correspondence between the two sides have been inappropriate. Instances have also come to light where Central Ministries/Departments have reached out to Executive Directors representing India at the MDBs without informing Department of Economic Affairs. In some cases pertaining to project-specific nominations for training, Bilateral Agencies/MDBs etc. have deviated from the established practice.

5. As the nodal Department for dealing with matters pertaining to loans, credits and grants from MDBs, Bilateral Agencies, and IFIs in India, DEA considers it necessary to sensitize the stakeholders and reiterate the importance of adherence to propriety in conduct of business between State Governments, Central Ministries/Departments, and other institutions on the one hand, and MDBs, Bilateral Agencies, and IFIs on the other. To this end, the following instructions are conveyed/ reiterated:

(i) Proposals for External Assistance (loans) from MDBs/Bilateral Agencies/IFIs

All proposals for loans from MDBs/Bilateral Agencies/IFIs referred to above should be routed through DEA in accordance with the extant instructions and guidelines on the subject. In no case, they should be sent directly to the MDBs/Bilateral Agencies/IFIs. In case a State Government/Central Ministry intends to initiate a preliminary discussion around a concept note with a MDB/Bilateral Agency/IFI before submitting a loan proposal, it must send a prior intimation to DEA. The MDB/Bilateral Agency/IFI concerned must seek mission clearance from DEA for this purpose.

(ii) Proposals for External Assistance (Technical Assistance/Advisory Services/Other Assistance) from MDBs/Bilateral Agencies/IFIs

In a few instances, it has been observed that State Governments/Central Ministries engage with MDBs/Bilateral Agencies/IFIs directly on matters relating to technical assistance or advisory services, finalise the proposal informally without informing DEA, and thus present this Department with a *fait accompli* in such cases. All such proposals should be routed through DEA in accordance with the extant instructions and guidelines on the subject. In no case, they should be sent directly to the Bilateral Agency/MDB. DEA encourages State Governments, Central Ministries, and other institutions to enter into preliminary discussions on broad contours of technical assistance, advisory services or any other assistance. A prior intimation before such discussions must invariably be sent to DEA. Bilateral Agency/MDB/IFI concerned should seek mission clearance, sufficiently in advance, from DEA for this purpose in all cases where it is required in accordance with extant instructions.

(iii) Level and Channel of Communication

(a) Country Directors/Country Representatives of the MDBs/Bilateral Agencies/IFIs will refrain from addressing their communications to the Chief Minister/Ministers in a State Government, or Ministers in the Central Government. On matters pertaining to ongoing or pipeline projects funded by them, they should correspond with the Chief Secretary/Principal Secretaries in the State Government under intimation to DEA. Similarly, communications with a Central Ministry/Department may be addressed to Secretary/Joint Secretary or Director/Deputy Secretary under intimation to DEA. It would be the responsibility of the officers concerned to apprise the political functionaries in the concerned Governments in appropriate manner. All proposal for collaborative programmes as well as policy inputs related to the States and Central Ministries should only be routed through this Department.

(b) Project-specific communications may be addressed to the Project Director concerned with a copy endorsed to the Principal Secretary/Secretary in the department concerned, and under intimation to DEA.

(c) Central Ministries/Departments, State Governments, and other institutions are not expected to correspond directly with the President, Chief Executive Officer or other Senior Management officials of the MDBs/Bilateral Agencies/IFIs. In case, such a high ranking official is intended to be invited to participate in any function or event organized by the Ministry/Department or the State Government, DEA should be consulted before extending such invitation. In no case, Ministers of the Government of India or the State Governments should write a Demi-official or personal letter to such high ranking personnel.

(d) Central Ministries/Departments, State Governments, and other institutions should refrain from directly corresponding with Executive Directors representing India at the MDBs/IFIs, and route the request for any information/clarification/inputs through the DEA, which is the focal point for all communications with the Executive Directors. In case such a correspondence becomes necessary in view of the exceptional nature of work /exigency, DEA should be kept informed.

(iv) Project related Training Programmes/Workshops organized by MDBs/Bilateral Agencies/IFIs

(a) Country Offices of MDBs/Bilateral Agencies/IFIs should send invitations for project related training programmes/workshops to DEA, which in turn, would invite nominations from State Governments/Central Ministries/Other institutions concerned, as the case may be. Only upon receipt of nominations from DEA, MDBs/Bilateral Agencies/IFIs should reach out to the nominated officers for the purpose of completion of travel and other formalities.

(b) If the training programme/workshop is not related to an ongoing or pipeline project financed by an MDB/Bilateral Agency/IFI, and the invitee is not a Government functionary, the MDB/Bilateral Agency/IFI concerned may extend invitations directly in such cases under intimation to DEA.

(v) Invitation to participate as a Resource Person/Speaker/Panellist in the events organized by MDBs/Bilateral Agencies/IFIs and vice versa

(a) In cases where an MDB/Bilateral Agency/IFI seeks to invite a particular Government official/functionary as a resource person/speaker/panellist for an event organised by them in India or abroad, such invitations may be extended to the individual through DEA, and a copy may be endorsed to the individual for his/her information and to the State Government/Central Ministry/Institutions concerned.

(b) In case the proposed resource person/speaker/panellist is not a Government official/functionary, the invitation may be extended directly under intimation to DEA.

(c) Similarly, Ministries/Departments in Government of India or in the State Governments should invite Country Directors/Representatives of MDBs/Bilateral Agencies/IFIs for conferences/seminars/other events only through DEA.

(vi) Request for meeting with Chief Ministers/Ministers in the States/Central Government and other meetings

Ministry of Youth Affairs & Sports

D.O. No.SAI/NIS/NTA/2025

Dated: 26th March, 2025

Dear Colleagues,

As you are kindly aware, meritorious sportspersons are recruited in Government of India under the Sports Quota, as per the extant DoPT guidelines, over the last several years. As a result of this, many eminent athletes are in active service in various ministries and organizations.

2. In this context, as part of our mission for achieving global excellence in sports, it is felt that there is a need to upskill the sportspersons to enable them to contribute to India's sporting journey. The necessity of pooling all available resources has arisen in view of our increasing sports development activities. Moreover, the need to augment resources in sports by way of coaches, referees and other support staff is also felt as a preparatory activity for our sporting ambitions and for our preparedness for the 2036 Summer Olympics, the bid for which has been formally submitted by the Indian Olympic Association.

3. Based on the review held in the Ministry in this regard, I am happy to inform you that a special Capacity Building Course to enhance the skills and knowledge of sportspersons employed in Government under the Sports Quota has been designed by the Netaji Subhas National Institute of Sports (NS NIS), Patiala, under the aegis of the Sports Authority of India, covering topics which are relevant for upskilling, such as Sports Science, Coaching Methodologies, Sports Management, and Leadership Skills.

4. This Course will be highly beneficial for the sportspersons employed in your Ministry and its organisations for enhancing their skills and preparing them to play an active role once again in sports. Details of the said Course are enclosed for your consideration. You are kindly requested to nominate suitable officials from your Ministry and its organisations to participate in this course. Shri Sibanand Mishra, Deputy Director, (Mob. 9599303866, Email: nispatiala.sai@gov.in / academicsdeputydirector@gmail.com) will be the Nodal Officer at the NS NIS for this purpose.

I look forward to your support for this endeavor.

with best wishes,

Yours sincerely,

[Signature]

- 3. Notification of Cellular Mobile Phones under Clause 3(a) of the Public Procurement (Preference to Make in India) Order 2017 vide notification number W-43/1/2020-IPHW-MeitY dated 29.04.2020 and its revision dated 09.03.2021**

The Government has issued Public Procurement (Preference to Make in India) Order 2017 [PPP-MII Order 2017] vide Department for Promotion of Industry and Internal Trade (DPIIT) Order No. P-45021/2/2017-B.E.-II dated 15.06.2017 and subsequent revisions dated 28.05.2018, 29.05.2019, 04.06.2020, 16.09.2020 and 19.07.2024 to encourage 'Make in India' and to promote manufacturing and production of goods and services in India with a view to enhance income and employment.

2. The Clause 3(a) of the revised Order states that "In procurement of all goods, services or works in respect of which the Nodal Ministry / Department has communicated that there is sufficient local capacity and local competition, only 'Class-I local supplier', as defined under the PPP-MII Order 2017 dated 19.07.2024, shall be eligible to bid irrespective of purchase value." As per the PPP-MII Order 2017 dated 19.07.2024, the Class-I local supplier means that the local content requirement is minimum 50%.

3. Ministry of Electronics and Information Technology (MeitY) is the Nodal Ministry under the Public Procurement (Preference to Make in India) Order 2017 for electronic goods.

4. With regard to Clause 3(a) of the Public Procurement (Preference to Make in India) Order 2017, after due stakeholder consultation, it has been inferred that sufficient local capacity and local competition is available for Cellular Mobile Phones. Therefore,

henceforth, procuring entities shall procure Cellular Mobile Phones having HSN Code (**HS 85171300**) only from Class-I local suppliers, irrespective of purchase value. Local content shall be calculated as prescribed vide MeitY Notification No. W-43/4/2019-IPHW-MeitY dated 07.09.2020.
