D.O No. 32-12/2026-TS-I

Dated: 02<sup>nd</sup> June 2026

Dear Ma'am/Sir,

As you may be aware, Bharat Innovates 2026 is being organized from **14-16 June 2026 in Nice, France**, as a flagship initiative to showcase India's innovation ecosystem and strengthen partnerships across academia, industry, startups, government and international stakeholders. The program has been designed as a global accelerator for startups emanating from India's education ecosystem.

The event assumes particular significance in view of the expected presence of **Hon'ble Prime Minister of India** and the **President of France**, and is envisioned as an important platform to highlight India's emerging strengths and collaborative innovation opportunities on a global stage.

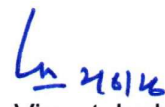

The initiative brings together key stakeholders around diverse sectors, including **Semiconductors; Advanced Computing, AI & Quantum; Energy, Sustainability & Climate Tech; Biotechnology & Life Sciences; Manufacturing & Industry 4.0; Healthcare & MedTech; Space & Defence; Agriculture & Food Technologies; Smart Cities & Mobility; Next-Generation Communications (5G/6G); Blue Economy; Advanced Materials & Critical Minerals; and Disaster Management & Resilient Infrastructure.**

Given the cross-sectoral nature and national importance of this initiative, I would request your support in amplifying its outreach and visibility. I shall be grateful if your ministry/department website could kindly facilitate display of the enclosed **Bharat Innovates banner** on the homepage of your Ministry's website, with an appropriate hyperlink/redirect, at the earliest. Such support would significantly contribute to enhancing awareness, outreach and participation in the initiative.

I would greatly appreciate your cooperation and support in making this important national initiative a success.

With regards,

Yours sincerely,

  
(Dr. Vineet Joshi)

All Secretaries to the Government of India
