27th July 2026

Dear Colleague,

As you are aware, there remains a significant gap between the demand for organ transplants and the availability of donor organs in the country. Promoting deceased organ donation is crucial, as one deceased donor can save up to eight lives through organ donation and also improve the quality of life of many others through tissue donation such as cornea, skin, bone, heart valves, etc.

2. Due to active involvement and contribution by States/UTs and various Ministries/Department, significant progress has been achieved in the field of organ donation and transplantation in the country during nationwide organ donation awareness campaign, "Angdaan Jeevan Sanjeevani Abhiyaan" launched in July, 2025. Further, the Hon'ble Prime Minister, in the 131st episode of *Mann Ki Baat*, held on 22nd February, 2026, also reiterated the importance of organ donation and highlighted its transformative impact on the lives of recipients and their families.

3. In continuation of these efforts, it has been decided to launch a yearlong public awareness campaign, "Jug Jug Jiyo Abhiyaan (जुग-जुग जियो अभियान)" from 3rd August, 2026 on the occasion of the 16th Indian Organ Donation Day. The campaign aims to promote organ donation as a life-saving act and highlight that the legacy of donors continues through the recipients of their organs and tissues.

4. Accordingly, all Ministries/Departments of Government of India are requested to actively participate in the campaign. The suggested action plan for the campaign is enclosed at *Annexure*. The details of activities conducted under the campaign and photographs/videos may please be sent to the Director, NOTTO at jugjugjiyoabhiyaan@gmail.com.

5. I seek your cooperation in this national endeavour to strengthen awareness and public participation in the organ donation across the country.

With regards,

Yours sincerely,

Punya Salila

Annexure

The suggested action plan for the campaign is as follows:

i. A drive for registration of Aadhar authenticated Pledges of willing citizens, for organ and tissue donation through NOTTO's web portal <https://notto.abdm.gov.in/> to be carried out through various Govt. and non-Govt. stakeholders. The web portal can also be accessed by scanning the QR code given below:

ii. Various IEC activities such as Organ Donation Run, Painting/Slogan/Poem/Quiz competitions, pledge drives, talks/webinars and observance of Organ Donation Day may be organized in their offices and subordinate/attached organizations/institutions/public sector undertakings under the respective Ministries/Departments to encourage participation of officers, staff and their families.

iii. The IEC activities may be carried out in coordination with the NOTTO (Email: dir@notto.nic.in; Phone no. 011-26154770). The IEC material, including posters, videos, pamphlets, awareness booklets, and other creatives, is available on the NOTTO website (<https://notto.mohw.gov.in/iecdownload.htm>).

iv. Ministries/Departments and their subordinate/attached offices/autonomous bodies etc. may disseminate information on organ donation through their official websites, social media handles, newsletters, digital display boards and other communication platforms for wider outreach.

v. If required, NOTTO's call centre can also be contacted through 24x7 toll-free helpline number 1800-11-4770 for any information on organ donation and online pledging.

vi. All Ministries/Departments are requested to organize the aforementioned activities during the "Jug Jug Jyo Abhiyaan (जुग-जुग जियो अभियान)" including celebrating the 16th Indian Organ Donation Day on 3rd August, 2026.

ORGAN DONATION PLEDGE

I _____, pledge to donate such of my organs and tissues as could be used after my death to give new lease of life to those in need.

Keeping in view the shortage of organs and tissues for transplantation in our country, I also pledge that I will make all efforts to inspire my family, friends and fellow citizens to donate organs and tissues after death.

अंगदान प्रतिज्ञा

मैं _____, प्रतिज्ञा करता/करती हूँ कि मैं अपने ऐसे अंगों और ऊतकों को, जिनका उपयोग मेरी मृत्यु के पश्चात किसी को नया जीवन देने के लिए किया जा सकता है, दान करूँगा/करूँगी।

हमारे देश में प्रत्यारोपण के लिए अंगों और ऊतकों की कमी को देखते हुए, मैं यह भी प्रतिज्ञा करता/करती हूँ कि मैं अपने परिवार, मित्रों और देशवासियों को भी अपने अंग एवं ऊतक दान करने के लिए प्रेरित करने के सभी प्रयास करूँगा/करूँगी।
