Government of India
Ministry of Finance
Department of Expenditure

Kartavya Bhawan-1, New Delhi

Dated:29.09.2026

OFFICE MEMORANDUM

Subject: Implementation of measures to prevent wrongful / excess payments made to the Governments Servants – reg.

The undersigned is directed to refer to D/o Personnel & Training (DoPT)'s O.M. No. 18/03/2015-Estt (Pay-I) dated 02.03.2016 issued in pursuance of the judgement of the Hon'ble Supreme Court in CA No. 11527/2017 State of Punjab & Ors Vs Rafiq Masih (White Washer) & others. The said O.M. prescribes certain situations, wherein recovery of excess payments made to Government servants would be impermissible in law.

2. This Department receives a large number of proposals seeking waiver of recovery of excess payments made to Government servants, primarily on account of incorrect pay fixation, grant of increments, ACP/MACP benefits, etc. In most cases, such excess payments are detected only on the verge of retirement, resulting in Ministries/ Departments seeking waiver of recovery under Para 4(ii) of the aforementioned O.M., which relates to recovery of excess payments from retired Government Servants or those due to retire within one year, of the order of recovery. The said landmark judgment and the subsequent DoP&T's order bars recovery in such cases.

3. In order to devise a framework so that the detection of excess payment does not happen in the last year of the service of Government servants, the matter was examined in consultation with the Controller General of Accounts (CGA). In this regard, all Departments, Attached Offices, Subordinate Offices and other offices under the administrative control of this Department are hereby advised to abide by the following instructions, to strengthen internal controls and ensure timely settlement of retirement benefits:

- i. **All pay fixation orders issued on account of promotion, ACP/MACP, financial upgradation, increment or any other revision of pay are invariably subjected to audit by the Internal Audit Wing and/or the concerned Pay & Accounts Office within three months of their issue or by the end of Financial Year whichever is later.** The regular promotion orders may invariably be marked to the Departmentalised Accounts Organisation in the Ministry.
- ii. Qualifying service of every Government servant is verified periodically in accordance with Rule 30 of the CCS (Pension) Rules, 2021 and all omissions or discrepancies noticed in service records are rectified promptly;
- iii. In addition to the above, **in respect of Government servants who are due**

to retire within the next four years, all pay fixation orders, financial upgradations, service books, qualifying service and emoluments are comprehensively reviewed immediately (on priority) in accordance with the DoPT O.M dated 03.10.2022.

- iv. The Head of Office ensures strict compliance with the responsibilities assigned under Rule 57 of the CCS (Pension) Rules, 2021 by completing verification of service records, qualifying service, emoluments and all other pension-related records before initiating and forwarding pension papers to the Accounts Office;
 - v. Deficiencies noticed during internal audit or verification are rectified immediately, and appropriate corrective measures are instituted to prevent recurrence of such lapses.
 - vi. All Ministries/Departments shall establish an appropriate monitoring mechanism to ensure compliance with the above instructions and periodically review the status of audit of pay fixation orders and verification of qualifying service, particularly in respect of Government servants nearing retirement.
 - vii. Mandatory issuance of Audit certificate: The Internal Audit Wing and/or the concerned Pay & Accounts Office, while auditing the pay fixation orders, shall mandatorily issue a formal certificate confirming completion of such audit and verification in accordance with the instructions issued in the matter from time to time. Concerned CCA/CA will be responsible for the oversight of the entire process and certificate of correctness of pay fixation will be issued by them. In case any discrepancy or excess payment is discovered at a later stage in a pay fixation order that has been certified, responsibility will be fixed on the concerned Pay & Accounts Office (PAO) and/or CA/CCA.
 - viii. Verification at the Time of Retirement: A similar comprehensive validation and formal certificate issuance must also be mandatorily carried out by the Internal Audit Wing and/or the concerned Pay & Accounts Office during the final verification of service records and emoluments 48 months before the time of retirement. Should any discrepancy, omission, or erroneous calculation be detected subsequent to this final clearance, administrative and financial accountability will be fixed on the concerned Pay & Accounts Office (PAO)/CCA/CA responsible for the of verification.
 - ix. Upon issuance of the Certificate of Correctness of Pay, no recovery of any nature may be effected from the employee in respect of the period covered by the certificate. Any loss to exchequer due to wrong fixation etc. may be recovered from the office who has approved the issue of such certificate.
4. This has the approval of Competent Authority.

D.O. No. P&P/109/01/2026/Wageceiling

September 24, 2026

Dear Ma'am/Sir,

The Union Cabinet has approved the enhancement of the statutory wage ceiling for mandatory coverage under the Employees' Provident Fund Organisation (EPFO) from ₹15,000 to ₹25,000 per month. This critical reform updates a threshold, which was last fixed in September 2014, and aligns the social security framework with India's sustained economic growth and the vision of Viksit Bharat@2047.

2. By raising the wage ceiling, more than 51 lakh additional workers across the country are expected to be brought under the ambit of mandatory social security. Employees in the ₹15,000-₹25,000 wage band will transition from optional coverage to guaranteed statutory protection, providing them access to provident fund savings, pension eligibility under the Employees' Pension Scheme (EPS), and life insurance through the Employees' Deposit Linked Insurance Scheme (EDLI). This enhancement was also necessary as the statutory minimum wage for unskilled workers in several States and Union Territories is presently above ₹15,000.

3. Central Government Ministries/Departments have pivotal role in ensuring effective implementation of this reform and in leading by example in matters of labour welfare and social security. I would, therefore, request you to issue suitable directions to all Central Public Sector Enterprises, statutory and autonomous bodies, attached and subordinate offices and other organisations under the administrative control of your Ministry/Department to ensure strict compliance with the revised provisions.

4. Further, directions may also be issued to all contractors, outsourcing agencies engaged by your Ministry/Department to immediately extend EPFO coverage to all eligible personnel under the revised wage ceiling.

5. To support establishments during this transition and offset the additional financial implications of higher employer contributions, the Government of India has operationalised the Pradhan Mantri Viksit Bharat Rozgar Yojana (PMVBRY). The Scheme provides financial incentives for generation of additional employment, including an incentive of up to ₹3,000 per month per additional employee to eligible employers, besides providing direct incentives to newly employed youth entering the formal workforce. Nearly ₹2,850 crore has already been disbursed to beneficiaries under the Scheme. The Scheme can, therefore, help establishments mitigate the additional cost associated with the enhanced EPFO wage ceiling while promoting formal employment.

Contd.../-

6. Ensuring that formal employment is universally accompanied by assured, portable social security, being a shared national priority, I seek your continued leadership in institutionalizing this reform to secure the long-term welfare and financial stability of the workforce.

With kind regards,

Yours sincerely,

(Chandra Bhushan Kumar)

DO. No. 15-2/2024-MD-Part(2)

Dated: 29th September, 2026

Dear Madam/Sir,

The Department of Posts (DoP), with its extensive nationwide network, has long served as a vital link connecting people, communities and businesses across the country. With a strong presence in rural and remote heartlands, the Department provides a wide range of services, from mail and parcel delivery to Small Savings and Life Insurance. Post Offices also serve as access points for citizen-centric services such as Aadhaar enrolment, updation and Passport Seva, bringing essential services closer to citizens.

2. In recent years, the Department has undertaken significant technological and operational transformation under Advanced Postal Technology (APT). Advanced Postal Technology has strengthened this network by digitally connecting all 1.65 lakh Post Offices, with around 1.40 lakh Branch Post Offices enabled through the Dak Mitra Mobile App. The modernised network, supported by its extensive field workforce, can now facilitate postal, financial, logistics and citizen-centric services at the last mile. In addition, Digital Payments for bookings, OTP-based delivery, bulk pickups and new products like 24 Speed Post for time-bound delivery have been introduced, along with the Dak Sewa App, which provides citizens with a convenient digital interface to access postal services.

3. In view of the above, I would request all Ministries/Departments to explore leveraging the network and capabilities of the Department of Posts for delivery, outreach and facilitation of their services and schemes at the grassroot level. Attached and subordinate offices, institutions and organizations under the administrative control of your Ministry/Department may also be encouraged to make appropriate use of the Department's network and services.

4. Your kind support is solicited in ensuring disseminating of information about the products and services of the Department of Posts through organisations and institutions under your Ministry/Department, while also exploring opportunities to leverage its extensive network for citizen outreach and service delivery.

5. For any further information contact Col. Akhilesh Kumar Pandey, Chief Postmaster General (Delhi Circle). Contact 9560037470 or email on cpmg_del@indiapost.gov.in

With Warm Regards

Yours sincerely

Dear Madam/Sir,

The Department of Posts (DoP), with its vast network, trust, and reliability, continues to serve as a vital link connecting people, communities, and businesses across the nation. Every year, the Department celebrates National Postal Week, and this year it will be observed from 9th to 15th October 2026, commencing with World Post Day on 9th October. The theme of this year's World Post Day is **'World Post Day: One Postal Network, Infinite Possibilities'**. The celebrations reaffirm DoP's enduring role in delivering essential services and its continuous journey of modernization and innovation.

Through initiatives like N-Gen Post Offices and Jan Sewa Connect Post Offices, the Department is creating modern and inclusive service spaces, while digital platforms such as the Dak Sewa App and Dak Mitra App are making postal services easier to access. Together, these initiatives are shaping India Post into a more connected and responsive postal network, ready to meet the needs of the future.

3. The week-long celebrations will feature specially-themed days. Each day highlights the Department's contribution towards building a modern, inclusive, and citizen-centric postal ecosystem, strengthening financial inclusion, digital empowerment and socio-economic development across India and the world.
