

Indian Council of Medical Research

Workshop on Research Methods in Big Data Analytics for Healthcare: From Basics to Applications

On April 2-3, 2025 at ICMR, Hqrs, New Delhi

Analysis and applications of Big Data from:

- Genomics
- Transcriptomics
- Integrative omics
- Functional analysis
- Proteomics & Proteogenomics
- Post translational Modifications
- Metabolomics & Lipidomics
- Microbiome Data analysis

Faculty

Dr. Karthik Raman

Dr. Dinesh Gupta

Dr. Shandar Ahmad

Dr. Abhishek Sengupta

Dr. Prashanth N. Suravajhala

Dr. Priyanka Narad

Dr. Debasis Dash

Dr. Siddhesh Kamat

Dr. Amit Kumar Yadav

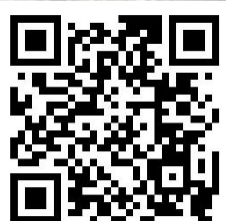

Dr. Tarini Shankar Ghosh

Dr. Yashwant Kumar

Dr. Suruchi Aggarwal

Eligibility: Post-Doctoral
Researchers; Clinicians and
Principal Investigators
Limited seats available

No registration fee,
No TA/DA or accommodation
provided. Preference to the
PIs of ongoing projects
