## Duration

- Total Project duration is for 3 years. Appointment will be initially for a 6 months period which may be renewed, depending on the performance of the candidate till the completion of the project.

## Selection Procedure

- Selection will be based on interview of the shortlisted candidates only.
- It will focus on the relevant subject matter, essential qualifications, and job responsibilities.
- Reporting time for the interview will be communicated to shortlisted candidates.

## Application Procedure

- Scan the QR code to apply.
- Candidates must produce their updated CV & all relevant documents related to their proof of age, educational qualifications & experience in original during interview. Candidates not producing the Original Certificates will not be considered.
- The post is purely temporary on contractual basis and co-terminus with the project. The appointment will be initially for a period of 6 months which may be renewed depending on the performance of the candidate and extension of the project from the funding agency.
- The assignment will be governed as per the rules / instructions received from the ICMR / competent authority from time to time. This appointment will not vest any right to claim by the candidate for regular appointment or permanent absorption in ICMR or for continued contractual appointment.
- The contractual appointment gets terminated on the completion of the project or can be terminated at any time by either side by giving 30 days' notice or salary in lieu thereof.
- Leave: The leave entitlement of the appointee shall be governed in terms of the ICMR leave policy governing extramural research projects as amended from time to time.
- Age relaxation will be as per ICMR guidelines.
- Attempts (direct/indirect) to influence the Selection Committee in any way or form will lead to disqualification of the concerned candidate from the recruitment process.
