

Expression of Interest (EOI)
Reviewer, Indian Journal of Medical Research (IJMR)

Date: 25-09-2025

Last date of submission of applications: 16-10-2025

BACKGROUND: The IJMR is the flagship journal of the Indian Council of Medical Research (ICMR) which is published on a monthly basis. IJMR aims to publish quality biomedical research articles and disseminate them to its readers in India as well as globally. Ease of access to expanding knowledge-base is ensured by the IJMR through its policy of free dissemination of contents to its readers. The Journal receives articles from a wide range of domains including quantitative, qualitative or mixed-method investigation approach.

CONTEXT: In order to fast-track the publication processes of IJMR, the ICMR invites EOIs from SENIOR SCIENTIFIC EXPERTS (Medical/Non-Medical) from biomedical research background to be empanelled as REVIEWER. Applicants can be in-service (regular) senior faculty currently working in medical colleges or holding regular scientific positions in Research Institutes or retired experts in their respective field. The Reviewer should indicate their area(s) of expertise while responding to this EOI.

EXPERTISE IN ONE OF THE FOLLOWING DOMAINS: Internal Medicine/General Medicine, Community Medicine, Epidemiology/Public Health, Endocrinology, Biostatistics, Reproductive Medicine, Mental Health (Psychiatry/Psychology), Social Science Research, Cardiovascular Research, Molecular Medicine, Genetic Diseases & Treatment, Pulmonary Medicine, Pharmacology/Clinical Pharmacology, Biochemistry/Immunology, Infectious disease, Oncology particularly with molecular biology, Genetics, Microbiology, Maternal health, Respiratory diseases, Haematology, Virology, Oncology, Biostatistics.

RESPONSIBILITIES ENTAILED: Reviewers will review manuscripts submitted to the IJMR assigned to them in a time bound manner within 2-3 weeks for first time review and 2 weeks for re-evaluation through IJMR's online review portal.

SELECTION OF REVIEWERS: The selection will be based on Screening. Preference will be given to those with prior experience of being a reviewer of a biomedical journal. Applicants with minimum 10 original research publications will be considered for screening.

AGE CUT-OFF: ≤70 yr as of the last date of application

DURATION: Engagement of empanelled reviewers will depend purely on the consistent quality of review done and meeting the timelines stipulated for review. IJMR reserves the right not to engage empanelled reviewers based on inconsistent review comments or timelines.

EXIT CLAUSE: This is not a full time engagement. This is merely an empanelment. Reviewers empanelled will be engaged on a need basis only.

CONFLICT OF INTEREST: The IJMR strives to observe all precautions as per the National and International Ethical norms in all its proceedings including declaration of the Conflicts of Interest. Given this, the selected Reviewers are expected to maintain academic integrity and will be required to declare any conflicts of interest pertaining to the manuscript(s) assigned to them for review.

HONORARIUM: Honoraria will be admissible on a 'per article basis' (₹ 2000/article)

Interested candidates may submit a One Pager in the format attached below and submit their application to the EMAIL- **IJMRRECRUITMENT23@GMAIL.COM**

DISCLAIMER: (i) ICMR shall not be responsible for any late receipt of applications for any reasons whatsoever. (ii) ICMR reserves the right to cancel the call for Eoi without assigning any reasons thereof.
