Responsibilities and reporting of Consultant (Epidemiology):

- The Consultant will work under the direct guidance of the NAÇO's Strategic Information (SI)-Surveillance & Epidemiology and in consultation with the Focal Person at ICMR-National Institute for Research in Digital Health and Data Science.
- The HoD of SI division at State AIDS Control Society (JD/DD/AD as per the position sanctioned) will be focal person of coordination by the Epidemiologists in the allotted States.
- He/she will support the implementation of Surveillance & Epidemiological activities as defined under the

MoU between the NACO and the ICMR-National Institute for Research in Digital Health and Data Science. This shall include, but not limited to, undertaking, and supporting epidemiological investigations, verbal autopsy, supportive supervision, capacity building, periodic review etc. in the facility/community field settings.

4. He/she shall provide epidemiological support to the allocated State AIDS Control Societies (SACSS) towards evidence-driven response planning, implementation, and monitoring under the direct guidance of the SI-Surveillance & Epidemiology, NACO/ICMR-National Institute for Research in Digital Health and Data Science.
5. He/she shall provide technical support to the NACO's DAPCUs/Cluster priority districts towards evidence-driven response planning, implementation, and monitoring under the direct guidance of the SI-Surveillance & Epidemiology, NACO/ICMR-National Institute for Research in Digital Health and Data Science.
6. He/she shall undertake field visit in the implementation of Surveillance & Epidemiological activities as per the instructions of the NACO's SI-Surveillance & Epidemiology and the official representing the national/regional institutes (Surveillance & Epidemiology).
7. Any other Surveillance and Epidemiology (under NACP) related work as assigned by concerned officer at the ICMR-National Institute for Research in Digital Health and Data Science/NACO-SI-S&E.
8. The candidate shall agree that all knowledge and information not within the public domain which may be acquired during the carrying out of his/her responsibilities as Consultant (Epidemiology) shall be for all time and for all-purpose regarded as strictly confidential and shall not be directly and indirectly disclosed to any person without the consent of the ICMR- National Institute for Research in Digital Health and Data Science and NACO, MoHFW, Gol.
9. The candidate shall agree to sign a confidentiality and non-disclosure agreement with ICMR- National Institute for Research in Digital Health and Data Science ensuring compliance to the extant guidelines of NACO, MoHFW, Gol.
10. The annual extension of contract of Consultant (Epidemiology) if any, shall consider the performance including the completion of field visits required as per the provisions in action plan.

Procedure for Recruitment:

- i) Interested candidates may apply online in the prescribed format (<https://forms.gle/RcCSqX3eEgq3QaGU7>).
