ICMR-NJIL & OMD Dissertation Program-2026

Date: 28.11.2025

ICMR-National JALMA Institute for Leprosy and Other Mycobacterial Diseases, Agra is one of the premier institutes of Indian Council of Medical Research (ICMR), New Delhi under the Department of Health Research (DHR), Ministry of Health and Family Welfare (MoHFW), Govt. of India. The main focus of the Institute is to conduct research in the areas of Leprosy, Tuberculosis and Non-Tuberculous Mycobacteria. In addition, the Institute is well aligned with the various activities of Government of India towards elimination of Leprosy and Tuberculosis. The Institute has state of the art laboratory facilities for carrying out research in the field mentioned above. For details one may visit institute website: <https://www.jalma-icmr.org.in>.

Scope of the Dissertation Research Training Program:

ICMR-National JALMA Institute for Leprosy and Other Mycobacterial Diseases, Agra provides dissertation opportunities to candidates pursuing Master's degree or UG degree in any branch of Life sciences/Pharmaceutical sciences/ Bio-Statistics to undertake research training towards partial fulfilment of their degree.

The candidates will be exposed with basic techniques used in the research area of Immunology, Microbiology, Molecular Biology, Biochemistry, Proteomics, Drug Discovery, Animal experimentation, Preclinical and Clinical research, Bio-Statistics for six-month duration.

Who can apply: Students Pursuing M.Sc., M. Tech., B. Tech. in any branch of Life Science/ Microbiology/ Bioinformatics/ Biochemistry/ Biotechnology/ Bio-Statistics / Pharmacy/ Public Health and related disciplines from UGC/ other recognized Universities to undertake research training towards partial fulfillment of their degree.

Number of seats: Approximately 25. The number of trainees' intake may vary and depends upon the availability of bench space with different scientists of NJIL& OMD. Decision of the Competent Authority would be final regarding number of seats for intake.

How to apply: Candidates can apply using online application form available at ICMR-NJIL& OMD website (Online Application Link - <https://forms.gle/9QQ8KLWwZrVf42E98>.) Along with the application, candidates have to upload a Statement of Purpose (SOP), and an authorization letter/Bonafide certificate (certifying that the candidate is pursuing degree program) issued by Head of the University / College / Institute.

Declaration of selection:

A screening cum selection committee constituted by the Director, ICMR-NJIL& OMD will select the students. The decision of the Director, ICMR-NJIL& OMD, regarding selection of the candidates shall be final. The list of selected candidates will be displayed on website of the Institute. Canvassing in any form and/or bringing in any influence, political or otherwise will be treated as a disqualification.

The selected students will be assigned to a faculty/scientist who will mentor him/her during the training period. Each student is required to complete a small research project work under the guidance of the scientist. At the end of the program, student will need to submit a 'Project Report' of the work done and on successful completion of the program, the students will be awarded a certificate.

Duration: 6 Months.

The training can be undertaken for a maximum of six months between January to December 2026. Actual dates of training will be decided based on mutual consent between the selected candidate and the faculty (after approval of competent authority).

*Preference will be given to candidates applying for six-month dissertation program.

Important Dates (Proposed)

Last date of Application: 15th December 2025

Intimation to selected applicants: 22nd December, 2025

Last date of submission of fee: 05 January, 2026

In case of non-receipt of fees, seats will be offered to waiting list applicants on 7th January 2026.

Fee Details:

After completion of selection process, successful candidates will be informed to make payment online to the Director, NJILOMD account (Account details: A/C No. & IFCS).

Fee: Rs. 12,000 (INR). Fee paid is non-refundable.

Financial Support /Boarding/Lodging:

ICMR-NJIL& OMD will not provide any financial support for the training/ boarding/ lodging. The students will have to make their own arrangement for stay during the program. No Hostel facility available for the students.

Terms and conditions

1. The admission of the student and the selection of the Research Supervisor would be based on the sole discretion of the Director/ Scientist in the laboratory.
2. During their tenure of the dissertation work, the candidates have to follow strictly all the rules and regulations, timings of the laboratory. Strict compliance of the safety rules by the students inside the laboratory is a must.
3. ICMR-NJIL& OMD will have the full intellectual property right on the project carried out by the student.
4. University/College undertakes the responsibility for any misconduct by the student(s).
5. At the end of the training, candidates should present the project before their scientific group/division at ICMR-NJIL& OMD, Agra for feedback and approval.
6. ICMR-NJIL& OMD, Agra will not provide any stipend for the project training.
