OFFICE ORDER

Date:25.08.2026

Subject: Extension of date for submission of bank details – STS-2026 1st & 2nd year students:-reg.

In continuation of the instructions issued earlier regarding the submission of bank details by **STS-2026 1st & 2nd Year Students**, it is hereby informed that the last date for submission of bank details was **22.08.2026**.

It has been observed that some students have not yet submitted their bank details. Further, in some cases, the bank accounts furnished by the students are not registered with **PFMS-enabled banks**, which may cause difficulties or delays in the processing of scholarship/payment.

Accordingly, with the approval of the competent authority, the last date for submission/correction of bank details is hereby **extended by 10 days, up to 02.09.2026**.

All concerned students are directed to submit their valid and correct bank account details within the extended deadline. Students are also advised to ensure that their bank account is registered with a **PFMS-enabled bank**.

Where a cancelled cheque is not available, the **first page of the bank passbook** may be uploaded as an alternative, provided the account holder's name, account number and IFSC details are clearly visible.

No further extension shall be considered after the above-mentioned deadline.

This issues with the approval of the Competent Authority.
